FOR YOUTH DEVELOPMENT  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

Updated 2016

### How To Get Started!

1. Individuals requesting private and semi-private lesson may or may not be members of the YMCA.
2. Participants may choose private (one person) or semi-private (two-three persons) lessons. The additional persons must be provided by you in the semi-private lessons.
3. We offer either single lessons or packages up to five lessons. You will be given a voucher for the number of lessons purchased. The voucher must be given to the instructor at the first lesson.
4. The lessons are 30 minutes in length
5. Participants will be given a list of instructors to contact to set up your lessons. Contact an instructor that suits your schedule.
6. All registrations must be accompanied by payment in full prior to first lesson.
7. Participants of this program do not have exclusive use of pool. Other programs or lessons may be scheduled simultaneously.
8. Please have only one contact person for semi private lessons. All lessons are for all participants, individual lessons will not be given.
9. We can not schedule private lessons during our prime time, when pool space and our instructors are already busy.
